### Educator Discount Program

Photo Center NW is pleased to offer discounts on tuition to fellow educators ranging from 30-50% off of course tuition. We recognize that the heart of the Photo Center is our community, comprised of individuals from diverse walks of life, including educators who are working to further their skills and abilities to introduce photography and creative processes to students of all ages. Each year we welcome hundreds of students to our classes and workshops from a variety of backgrounds, abilities, professions, age groups, all bringing diverse interests, new perspectives, and a passion for learning the art of photography. We would not be the community arts center that we are if we did not have a way to support this student and member diversity.

*Educator discounts can range from 30-50% off of course tuition. Photo Center NW determines the total discount awarded on a case by case basis.*
